

AmeriFace's North American Craniofacial Family Conference (NACFC) was held July 24-27, 2011 in Las Vegas, Nevada. CPF Director of Family Services Sam Jennings, MSW and Foundation Administrator Emily Kiser attended the meeting. We met so many great kids there, including Stefano, our May 2006 Story of the Month! It was really wonderful to meet a family that we had previously only met through the internet. Stefano is just as lively (and as much of a flirt!) as he was when his mom first wrote his story for us five years ago. This month, we wanted to share some photo updates!

Stefano loves swimming!

And playing soccer!

Stefano's Update

Cleft Palate Foundation's Story of the Month

October 2011

We had a great time hanging out with Stefano at the 2011 NACFC!

What a sweet smile!
